

How to find in-network providers outside of California

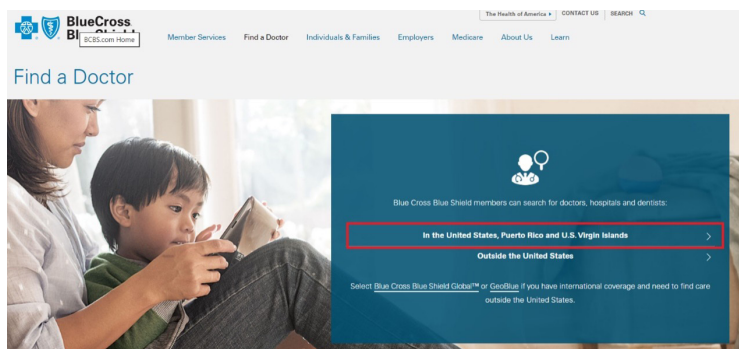

There are ways to find a provider of your choice, outside of California, on the Blue Cross Blue Shield Association website. Simply follow the instructions below.

How to find a Blue Shield Medicare (PPO) doctor on the Blue Cross Blue Shield Association website

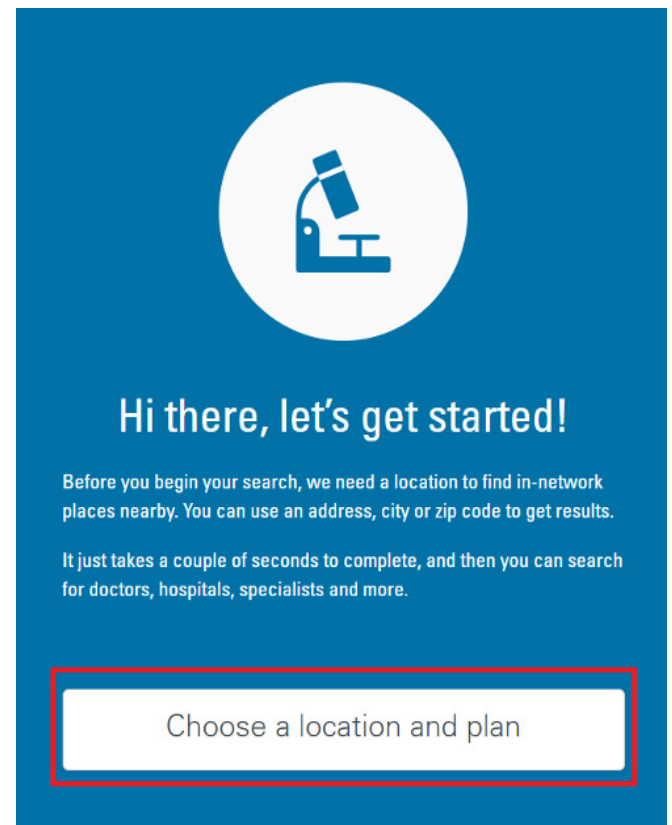

1. Go to bcbs.com/find-a-doctor

2. Select *In the United States, Puerto Rico and U.S. Virgin Islands*

3. Select *Choose a location and plan*

4. Enter your address, city, or ZIP code for where you are located, then click *Yes, this is correct*

Choose your search location Back

Enter an address, city or zip code

New York, NY

Yes, this is correct

Choosing a different location will start a new search

6. You can search for doctors by last name or specialty, or by the body part (i.e. a search for "foot" would give you results for in-network podiatrists). Or look up the name of labs or facilities, or by facility type, such as "hospital" or "lab" for in-network providers.

LOCATION Los Angeles, CA

Hello,
What are you searching for today?

Doctors by name Doctors by specialty Places by name Places by type

Search all Advanced Search

5. Enter the three letters at the beginning of your member ID number (**XRT**), then click *Continue*.

Find your plan by prefix

The three letters at the beginning of your member ID number make up your plan prefix. Type your three-letter prefix below and we'll find your plan for you.
